

Shinhan Bank India

Incorporated in Korea with Limited Liability
INDIAN OPERATIONS

INDEPENDENT AUDITOR'S REPORT

To,

The Chief Executive officer in India, Shinhan Bank- Indian Operation.

Report on audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Shinhan Bank – Indian Branches ('the Bank'), which comprise the Balance Sheet as at 31st March 2021, the Profit and Loss Account, the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 in the manner so required for banking companies and are in conformity with accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Bank as at 31st March 2021, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to Note 3.39 of the financial statements which describes the extent to which the COVID-19 pandemic will have impact the Bank's financial performance.
Our opinion is not modified in respect of this matter.

Information other than financial statements and auditor's report thereon

5. The Bank's Apex Committee is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Basel III Pillar 3 disclosures, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover such other information and we do not express any form of assurance conclusion thereon.
6. Our responsibility in connection with the audit of the financial statements is to read the other information and in doing so, examine if the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on our examination, we conclude that there is material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

7. The Bank's Apex Committee is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013, provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ('RBI') from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, Apex Committee is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Apex Committee either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so. Bank's Apex Committee is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Apex Committee.
- Conclude on the appropriateness of Apex Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

12. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 and Section 133 of the Companies Act, 2013.

13. As required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, we report that:

- (a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
- (b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank;
- (c) During the course of our audit we have performed select relevant procedures at all branches. Since the Bank's key operations are automated, with the key application largely integrated to the core banking systems, it does not require its branches to submit any financial returns. Accordingly, our audit is carried out centrally at the Head Office, based on the necessary records and data required for the purpose of the audit being made available to us.

14. Further, as required by section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books;
- (c) The financial accounting systems of the Bank are centralized and therefore, accounting returns for the purpose of preparation of financial statement are not required to be submitted by the branches
- (d) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (e) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, to the extent they are not inconsistent with the accounting policies prescribed by RBI;
- (f) The requirements of section 164(2) of the Companies Act, 2013 are not applicable considering the Bank is a branch of Shinhan Bank - Korea, which is incorporated with limited liability in South Korea;
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Bank has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Schedule 12 and Note 3.35 of Schedule 17 (II) to the financial statements;
 - ii. the Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts - Refer Schedule 5 and Note 1.9.8 of Schedule 17 (II) to the financial statements;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Bank.
 - iv. with respect to the matter to be included in the Auditor's Report under section 197(16), the requirements of Section 197 of the Companies Act, 2013 are not applicable considering the Bank is a branch of Shinhan Bank - Korea.

INDIAN OPERATIONS

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF SHINHAN BANK-INDIAN OPERATION

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

1. We have audited the internal financial controls over financial reporting of Shinhan Bank-Indian Operation ('the Bank') as at 31 March 2021 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls over Financial Reporting

2. The Bank's Apex Committee is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A Bank's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of Apex Committee of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Bank has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

SCHEDULE 17 (I) – SIGNIFICANT ACCOUNTING POLICIES

I. SIGNIFICANT ACCOUNTING POLICIES

Background:

The accompanying financial statements for the year ended March 31, 2021 comprise the accounts of Shinhan Bank-Indian Operations (the Bank), incorporated in Korea with limited liability. The India branches of the bank as at March 31, 2021 are located in Mumbai, New Delhi, Kanchipuram, Pune, Ahmedabad and Ranga Reddy.

1. Basis of Preparation

The financial statements have been prepared and presented under the historical cost convention and on the accrual basis of accounting, unless otherwise stated, and comply with generally accepted accounting principles in India ('GAAP'), statutory requirements prescribed under the Banking Regulation Act, 1949, circulars and guidelines issued by the Reserve Bank of India (the 'RBI') from time to time, Accounting Standards ('AS') notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and current practices within the banking industry in India.

2. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues & expenses and disclosure of contingent liabilities as at the date of financial statements. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Any revisions to accounting estimates are recognised prospectively in the current and future periods. Actual results could differ from the estimates.

3. Foreign Exchange Transactions

- Assets and Liabilities denominated in foreign currencies are translated at the year end exchange rates notified by the Foreign Exchange Dealers' Association of India (FEDAI) and the resultant gains or losses are recognised in Profit and Loss Account.
- Income and expenditure in foreign currencies are translated at the rates prevailing on the date of the transaction. Exchange differences arising on these transactions settled during the year are recognised in Profit and Loss Account.
- Contingent Liabilities on account of forward exchange contracts, guarantees, acceptance, endorsements and other obligations denominated in foreign currencies are disclosed in Indian rupee at year ended spot rates notified by FEDAI.
- The forward exchange contract outstanding are Marked to Market using appropriate discounting rate in line with group policy/FEDAI guidelines and the resulting gain or loss are recognised in the Profit and Loss Account under 'Profit on Exchange transactions' (net). Such unrealized gains or losses are reflected in the Balance Sheet under Other Assets or Other Liabilities as applicable.

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

4. Derivatives

Derivatives are financial instrument comprises of forwards exchanges contracts, interest rate swaps and cross currency swaps are undertaken for either trading or hedging purposes.

Trading derivatives are marked to market as per generally accepted practices prevailing in the industry and resultant unrealised gain or loss is recognised in the profit and loss account, with the corresponding net unrealised amount reflected in other assets or other liabilities in the balance sheet.

Forwards exchange contract and other derivative contract which have remained unpaid over 90 days or more are classified as non-performing assets and provided as prescribed by RBI.

The bank also maintains general provision on derivative provision computed as per marked to market value of the contract in accordance with the RBI guidelines.

5. Investments

a) Classification and valuation of the Bank's investments is carried out in accordance with RBI Master Circular DBR No BP.BC.6/ 21.04.141/ 2015-16 dated July 1, 2015 and amendments thereto. As per the guidelines for investments laid down by the RBI, the investment portfolio of the Bank is classified under "Held to Maturity", "Available for Sale" and "Held for Trading" categories. In accordance with the said guidelines, the investments are valued as under:

- i) 'Held to Maturity' securities are carried at the acquisition cost, except where the acquisition cost is more than the face value, in which case the premium is amortised over the remaining maturity period and is disclosed in Schedule 13 after netting off from Interest Income on Investments.
- ii) 'Available for Sale' & 'Held for Trading' securities are valued at lower of acquisition cost or market value, in aggregate for each Balance Sheet classification.
- iii) Treasury Bills are valued at carrying cost.

b) Quoted securities are revalued as per the yields declared by the Fixed Income and Money Market Dealers Association ('FIMMDA') / Financial Benchmarks India Private Limited ('FBIL') in consultation with Primary Dealers Association of India ('PDAI'). Securities are valued scrip-wise and depreciation/appreciation is aggregated for each category. Net depreciation, if any, within each category of investments is recognized in the Profit and Loss account. The net appreciation, if any, under each category is not recognized, except to the extent of depreciation previously provided.

c) Repurchase ('repo') and reverse repurchase ('reverse repo') transactions are accounted for as borrowing and lending transactions. Accordingly, securities sold under an agreement to repurchase them continue to be held under the investment account of the Bank and the Bank continues to accrue coupon / discount on securities during the repo period. Also, the Bank marks to market such securities as per the investment classification of the security. The difference between the clean price of the first leg and clean price of the second leg is recognized as interest income / expense in the Profit and Loss account over the period of the transaction. Similarly, securities purchased under agreement to resale are not included in the investment account of the Bank. The transactions with RBI under Liquidity Adjustment Facility (LAF) and Marginal Standing Facility (MSF) are accounted for as borrowing and lending transactions as per circular RBI/2015-2016/403 FMRD.DIRD. 10 /14.03.002/2015-16 dated May 19, 2016 and amendments thereto.

d) The bank follows settlement method for accounting of purchase & sale of G-Sec.

6. Fixed Assets & Depreciation

- i) Fixed Assets are stated at historical cost less accumulated depreciation thereon reduced by loss on sale/ scrapping of assets, if any.
- ii) Depreciation on assets other than computers and software is provided on a reducing balance method over the estimated useful life of the asset as given below which is in accordance with Schedule II of Companies Act, 2013

Assets	Estimated Useful life of fixed Assets
Furniture and Fixtures	10 Years
Office Equipment	5 Years
Vehicles	8 Years

- iii) Computers & Software are depreciated on SLM @ 33.33%.
- iv) Depreciation on assets acquired/ disposed off during the year is provided on a monthly pro-rata basis.
- v) The improvements in leasehold premises are written off over the primary period of lease.

7. Revenue Recognition

- a) Income and Expenditure are accounted for on accrual basis, except for interest on Non-Performing Advances & Investments, which are recognised on realisation basis as per prudential norms on Income Recognition and Asset Classification laid down by RBI.
- b) Fees and Commission income on letters of credit (LC) is accounted on issuance of the letter of credit irrespective of the period for which it is issued.
- c) Facility fees and loan processing fees are recognized when due and realizable.
- d) Other fees and commission are accounted for as and when they became due.
- e) Commission on guarantees issued by the Bank is recognized as income over the period of the guarantee.

8. Employee Benefits

a) Gratuity

The Bank provides for its gratuity liability based on actuarial valuation as at the balance sheet date which is carried out by an independent actuary using the Projected Unit Credit Method. Actuarial gains/losses are taken to the Profit and Loss Account.

b) Provident Fund

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

The Bank contributes an amount equal to the employees' contribution on a monthly basis to the Regional Provident Fund Commissioner (RPF). The Bank has no liability for future provident fund benefits apart from its monthly contribution which is accounted for on an accrual basis and recognised in the profit and loss account

c) **Compensated Absences**

Employees are not entitled to encashment of sick leave & casual leave or carry forward the same. Privilege leave which is encashable is settled at the calendar year end. Provision for the three months from January to March is made on the basis of leave encashment availed in the previous calendar year.

9. Advances

Advances are classified as per prudential norms on "Income recognition and Asset Classification and Provisioning pertaining to Advances" as issued by RBI, into performing and non-performing assets and are stated net of specific provisions.

10. Provisions

Provisions for non-performing assets are made in accordance with the prudential norms on "Income recognition and Asset Classification and Provisioning pertain to Advances", as issued by RBI.

The Bank maintains provision on Standard Assets, Country Risk Exposure, and unhedged foreign currency exposures of borrowers at rates prescribed by RBI including provision on stress sectors and the same is disclosed in Schedule 5 ('other liabilities and Provisions').

11. Taxes on Income

Income tax comprises the current tax (i.e. amount of tax for the period, determined in accordance with the Income Tax Act, 1961 and the rules framed thereunder) and deferred tax asset (DTA) or liability ((DTL) reflecting the tax effects of timing differences between accounting income and taxable income for the year). DTA is recognised keeping in view the consideration of prudence in respect of Deferred Tax Asset, as required by AS 22 "Accounting for Taxes on Income".

12. Net Profit

The net profit disclosed in the Profit and Loss Account is after:

- i. Provision for taxes on income in accordance with statutory requirements
- ii. Provision for non-performing advances, for standard advances, country risk and unhedged foreign currency exposures
- iii. Provision for depreciation on Investments
- iv. Other usual and necessary provisions and contingencies

13. Operating Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset are classified as Operating Leases. Operating Lease payments in respect of assets taken on lease are recognized as an expense in the Profit and Loss Account over the lease term.

14. Impairment of Assets

The Bank assesses at each balance sheet date whether there is any indication that assets may be impaired and provides for impairment loss, if any, in the Profit and Loss Account.

15. Cash and Cash equivalent

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

16. Provisions, Contingent Liabilities and Contingent Assets

In accordance with AS 29, "Provisions, Contingent Liabilities and Contingent Assets" the Bank creates provisions when there is a present obligation as a result of past event (s), that probably requires an outflow of resources embodying economic benefit and a reliable estimate can be made of such an obligation. Contingent assets are not recognized in the Financial Statements. A disclosure of Contingent Liability is made when there is:

- i. A possible obligation, arising from a past event (s), the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Bank or
- ii. Any present obligation that arises from past events but is not recognized because:
 - a. It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation;
 - b. A reliable estimate of the amount of obligation cannot be made.

SCHEDULE 17 (II) - NOTES to ACCOUNTS

1. Disclosures in terms of RBI guidelines.

1.1 Capital

During the year, the bank has not received any additional capital from head office. (Previous Year: Nil)

1.2 Capital Adequacy Ratio

The bank's capital to Risk Weighted Assets Ratio (CRAR) is calculated in accordance with RBI's BASEL III capital regulations issued vide RBI circular DBR. No BP.BC. 1/21.06.201/2015-16 dated July 01, 2015. Under BASEL III framework, on an on-going basis, the bank has to maintain a minimum total capital ratio of 11.50% (PY 11.50%) including Capital Conversion Buffer (CCB) at 2.50% (PY 2.50%) for credit risk, market risk and operational risk.

As March 31, 2021 the bank was required to maintain a minimum common equity tier-1 (CET1) capital ratio of 5.50%, minimum tier-1 capital ratio of 7.00% and minimum total capital ratio of 11.50%. The minimum total capital requirement includes a Capital Conservation Buffer of 2.50% (PY 2.50%).

(As per Basel-III)

1.6 Sale and Transfers to / from HTM Category

There were no sale and transfers to/ from HTM category during the year 2020-21

(Previous Year: Nil).

The Bank has not availed the option to spread provisioning for mark to market (MTM) losses on investments held in AFS and HFT for the quarters ended December 31, 2017 and March 31, 2018 over up to four quarters vide RBI circular RBI/2017-18/147 DBR.No.BP.BC.102/21.04.048/2017-18 dated April 2, 2018.

With a view to building up of adequate reserves to protect against increase in yields, RBI through circular number RBI/2017-18/147 DBR.No.BP. BC.102/21.04.048/2017-18 dated April 2, 2018, advised all banks to create an Investment Fluctuation Reserve (IFR) with effect from the FY 2018-19.

The amount transferred to IFR shall be lower of the following (i) net profit on sale of investments during the year or (ii) net profit for the year less mandatory appropriations, until the amount of IFR is at least 2 percent of the HFT and AFS portfolio, on a continuing basis.

During the year ended March 31, 2021, the Bank has transferred INR 791.63 lacs to IFR during the year (Previous Year: Nil).

1.7 Investment Reserve

The Bank has not transferred any amounts to Investment Reserve during the year (Previous Year: Nil) (net of applicable taxes and transfer to statutory reserve requirements) on provisions for depreciation on investments credited to Profit and Loss Account.

1.8.3 Disclosures on Risk Exposure in Derivatives

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

a) Qualitative disclosure for forward / forex contract

As per RBI Master circular DBR.BP.BC.No.23/21.04.018/2015-16 dated July 1, 2015, the following disclosures are being made with respect to risk exposure in derivatives of the Bank:

- Purpose: The Bank enters into derivative contracts in the normal course of business to meet customer requirements and to manage its own exposure to fluctuations in price and exchange rates. The management of these products and businesses is governed by Risk Policy, Derivatives Policy, and ALM policy.
- Structure: The bank has a Risk Management Committee ('RMC') and delegated to it all functions and responsibilities relating to the risk management of the Bank and its supervision thereof.
- As part of prudent business and risk management practice, the Bank has also instituted a comprehensive limit and control structure encompassing Value-at-Risk (VAR), Aggregate gap limits (AGL), Net overnight open position (NOOP), Stop loss & credit limits for derivative transactions including suitability and appropriateness framework. The Bank has an internal reporting mechanism providing regular reports to the RMC as well as to the management of the Bank. Such a structure helps the Bank to monitor and mitigate market risk across FX and interest rates.
- The Bank has an independent Middle Office and Market Risk functions, which are responsible for monitoring, measurement, and analysis of derivative related risks, among others. The Bank has a Credit Risk Management unit which is responsible for setting up counterparty limits and also a treasury operation unit which is responsible for managing operational aspects of derivatives including settlement of transactions. The Bank is subject to a concurrent audit for all treasury transactions, including derivatives transactions, a monthly report of which is periodically submitted to the Audit Committee of the Bank.
- The outstanding forward exchange contracts are stated at the closing rates notified by FEDAI and at interpolated rates for contracts in-between the specified maturities. The forward exchange contract outstanding are Marked to Market using appropriate discounting rate in line with the group policy/FEDAI guidelines and the resulting gain or loss are recognised in the Profit and Loss Account under 'Profit or loss on Exchange transactions' (net). The Bank applies Current Exposure Method to assess the credit risk associated with foreign exchange contracts. Credit risk on a contract is computed as sum of its mark to market value if positive and its potential future exposure which is calculated based on its national value.
- The Bank reports all positions to the management on a daily basis.
- Bank has not undertaken any derivative contracts in the banking book designated as hedge. Hence hedge accounting is not applicable.

2.4 In terms of the AS 17, the following additional information is disclosed:

Segment Information – Basis of Preparation

- The treasury segment undertakes investment in SLR & Non-SLR securities, foreign exchange operations, hedging activities for own account & on constituent's behalf. Revenue of this segment consists of interest earned on funding, interest income from government securities & bonds, gain on government securities, debentures/ bonds and profit on exchange & derivatives transactions. The principal expenses of this segment consist of interest expenses on funds borrowed from external sources.
- The corporate and wholesale banking segments consist of revenue arising out of funding corporate and commission on bank guarantees. The principal cost consists of interest on account of borrowing from customers by way of deposits.
- The retail banking segment consists of revenue arising out of personal loan, housing loan etc.
- The other banking operations segments consist of all other activities other than the above mentioned operations.
- The entire operating expenses are considered as un-allocable expenses, since the Treasury activities and other banking operations are conducted from the same premises.

2.5 Related party disclosures

Related party disclosures as required by AS 18 "Related Party Disclosures are given below:

1. Relationship during the year *

a) Parent

Shinhan Bank, Seoul and its branches

b) Key management personnel

Mr. Sang Mo Byun - CEO in India

In terms of paragraph 4.5 of RBI Circular No. DBR.BP.BC No.23/21.04.018/2015-16 dated July 1, 2015 regarding disclosure of related party transaction, no disclosure under AS 18 is made other than reporting the relationship with the related party.

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

The bank has disclosed that subsidiaries/Joint venture of the parent as related parties with whom it has entered into transaction during the current and previous financial year.

Sl. No	Name	Nature of transaction	Amount (in lacs)
1.	Shinhan Serve	Miscellaneous purchase	3.16 (3.26)
2.	iShinhan	Miscellaneous purchase	Nil (3.27)

Notes: Figures in bracket represent previous year figures

2.6 Leases

The Bank has operating leases for premises taken on lease and the disclosures under AS 19 on 'Leases' are as follows

- Total of future minimum lease payments of office premises are as follows:

(Rs. In Lacs)

Sr. No.	Particulars	2020-21	2019-20
(i)	Not later than one year	940.54	1,025.27
(ii)	Later than one year and not later than five year	492.66	1,372.01
(iii)	Later than five years	-----	-----

The bank has compiled the data for the purpose of this disclosure (from its internal MIS system and has been furnished by the management) which has been relied upon by auditor.

- Lease payment related to office premises of Rs.1,025.27 (Previous Year Rs. 977.27 lacs) has been recognised in the profit and loss for the year being minimum lease payments.
- The lease agreement entered into pertains to use of premises by the branches. The lease agreements do not have any undue restrictive or onerous clause other than those normally prevalent in similar agreement regarding use of assets, lease escalation, renewals and a restriction on sub-lease.

2.7 Earning Per Share

The Bank is a branch of a Foreign Bank and as such does not have Share Capital. Hence the computation of Earnings per Share is not applicable. Accordingly, the disclosure as required by AS 20 'Earnings per Share' is not applicable in case of the Bank

2.8 Taxes on Income

The Bank has accounted for Income-tax in compliance with AS 22 "Accounting for Taxes on Income". Deferred Tax of Rs. 11.27 lacs has been Credited to the Profit and Loss account for the period ended March 31, 2021. The major components of deferred tax asset (net) as at March 31, 2021 are as under:

(Rs. In Lacs)

Particulars	March 31, 2021	March 31, 2020

Provision for Doubtful Debts	3,515.67	3,437.26
Provision for Gratuity	151.70	115.84
Depreciation on Fixed Assets	594.50	595.74
Upfront Guarantee Commission	3.43	98.61
Unhedged FCE	130.34	138.11
Others	182.14	180.95
Total	4,577.78	4,566.51
Deferred Tax Liability		
Others	Nil	Nil
Total	Nil	Nil
Net Deferred tax asset	4,577.78	4,566.51

2.9 Impairment of Assets

As at March 31, 2021 there were no events or changes in circumstances which indicate any material impairment in the carrying value of the assets covered by AS 28 on "Impairment of Assets".

2.10 Indian Accounting Standards (Ind-As)

The Ministry of Corporate Affairs (MCA) has notified Indian accounting standards (Ind AS) for adoption. The RBI through press release RBI/2018-2019/146 DBR.BP.BC.No.29/21.07.001/2018-19 March 22, 2019 updated all scheduled commercial banks that legislative amendments recommended by the RBI are under consideration of the Government of India. Accordingly, RBI has decided to defer the implementation of Ind AS till further notice.

The bank will continue its preparation towards migration to adopting IND-AS as per regulatory requirement. In preparedness towards achieving the same, the bank has formed a steering committee which has members from various functions. The bank had prepared Proforma Financials as per extend regulatory guideline and submitted the same to Reserve Bank of India (RBI) during the year on quarterly basis.

3.20 Unamortised Pension and Gratuity Liabilities

The Bank does not provide any pension to the employees. Hence, there is no policy regarding amortization of pension. Gratuity is provided for based on an actuarial valuation and accordingly taken in the profit and loss account.

3.21 Disclosures on Remuneration

The bank's compensation policies including that of CEO's, is in conformity with the FSB principles and standards. In accordance with the requirements of the RBI Circular No DBR.NO.BC.72/29.67.001/2011-12 dated 13 January 2012, the Head Office of the bank has submitted a declaration to the RBI confirming the above mentioned aspect.

3.22 The Bank has not financed any margin trading activities during the year nor is there any outstanding at year end. (Previous Year: Nil).

3.23 Securitisation exposure

The Bank did not have securitisation exposure during the year other than direct assignment (Previous Year: Nil).

3.24 Operating Expenses

None of the expenses included under Other Expenses in Schedule 16 – 'Operating expense' has exceeded the limit of 1% of total income during the year ended March 31, 2021 (Previous Year: Nil).

3.25 Credit Default Swaps

The Bank has not dealt in Credit default swaps during the year (Previous Year: Nil).

3.26 Intra Group Exposure

RBI Circular No. RBI/2013-14/487 DBOD.No.BP.BC.96/21.06.102/2013-14 dated Feb 11, 2014 deals with Management of Intra Group Exposure and transactions. The intra group exposure comprises of Bank's transactions and exposures to the entities belonging to the Bank's own group (group entities). The Bank's exposure to its head office and overseas branches of Shinhan Bank, Seoul (Parent) except for proprietary derivative transactions undertaken with them, are excluded from Intra group exposure. The bank has not entered into any proprietary derivative transaction with the group. Also, the Bank has no other Group Entities in India and thus no Intra-Group exposure to be reported as on March 31, 2021.

3.27 Transfers to Depositor Education and Awareness Fund (DEAF)

(Rs. In lacs)

Particulars	March 31, 2021	March 31, 2020
Opening balance of amounts transferred to DEAF	30.64	18.56
Add : Amounts transferred to DEAF during the year	10.98	12.08
Less : Amounts reimbursed by DEAF towards claims	0.08	-
Closing balance of amounts transferred to DEAF	41.54	30.64

3.28 Unhedged Foreign Currency Exposure

The RBI has issued various guidelines advising bank to closely monitor UHFCE of their borrowing client. However, the extent UHFCE of the entity continues to be significant and this can increase probability of default in times of high currency volatility.

The RBI had, therefore, introduced incremental provisioning and capital requirement for the bank exposure to the entity with UHFCE.

The objective of this policy would be to maximize the hedging on foreign currency exposures of borrowers by reviewing their foreign currency product portfolio and encouraging them to cover the unhedged portion.

The process of ascertaining the amount of UHFCE, estimating the extent of likely loss, the riskiness of the hedge positions, provision thereof, etc. are to be done as per RBI circular DBOD.No.BP.BC.85/21.06.200 /2013-14 dated 15.01.2014. Based on the response received from client, the bank analyses and evaluate its incremental capital and provisioning requirement on account of exposures to entities with UHFCE. Apart from this, bank review and monitor UFCE at the time of sanction of New Loan/Extension/renewal and the same includes in Credit Officer Opinion Report.

The Bank maintains incremental provision towards the unhedged foreign currency exposures of its borrowers in line with the extant RBI guidelines.

The bank has compiled the data for the purpose of this disclosure (from its internal MIS system and has been furnished by the management) which has been relied upon by auditor.

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

b. Qualitative Disclosures

The Bank measures and monitors the LCR in line with the RBI's circular dated June 9, 2014 on "Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR), Liquidity Risk Monitoring Tools and LCR Disclosure Standards". The LCR guidelines aim to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for time horizon under a significantly severe liquidity stress scenario.

The maintenance of LCR, both at the end of period and on an average basis, has been on account of maintenance of securities in excess of SLR requirements. The Bank has been maintaining HQLA primarily in the form of SLR investments over and above mandatory requirement, Marginal Standing Facility (MSF), Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR). SLR investments of the Bank considered for HQLA consists of Treasury Bills and government securities which provide timely liquidity to the Bank.

Outflows majorly comprise of Term Deposits and Borrowings. Inflows consist of Loan & Advances, inter bank lending & T-Bills.

Based on the banks current business profile, bank has fairly simple loans and deposit portfolio with plain vanilla products and hence bank has captured the major liquidity risk.

LCR of the Bank is monitored by Asset Liability Management Committee which also strategizes the Balance Sheet profile of the Bank. There is no other material inflow or outflow not captured in the LCR common template.

3.30 Factoring exposure

The bank has factoring exposure of INR 8,524.57 lacs as on March 31, 2021 (Previous Year INR 13,098.60 lacs)

3.31 Details of provisioning pertaining to fraud accounts

(Rs. In lacs)

Particulars	March 31, 2021
No of fraud reported	2
Amount involved	10,001.10
Recovery during the year	1.10
Provision/Write off made net of recovery	10,000
Unamortised provision debited from "other reserve"	Nil

3.32 To ease the financial stress caused by COVID-19 disruptions on borrowers and relax the repayment pressures, Hon'ble Supreme Court, vide order dated March 23, 2021, directed that there shall not be any charge of interest on interest / compound interest / penal interest for the period during the moratorium from March 1, 2020 to August 31, 2020 and such interest shall be refunded to the concerned borrowers to be given credit / adjusted against instalment of the loan amount. Accordingly, Shinhan Bank has created estimated liabilities of INR 36.53 lakh towards the same and has reduced interest income for the year ended March 31, 2021.

3.33 In its Interim Order dated September 3, 2020, the Hon'ble Supreme Court of India (SC), In a public interest litigation (Union Of India & Anr) vide an interim order dated 03.09.2020 has directed that the accounts which were not declared as Non- Performing Assets (NPA) till August 31, 2020 shall not be declared as NPA till further orders. Based on the said interim order, the Bank has not classified any account pertaining to Domestic operations as NPA till the date of stay order, which was not NPA as of August 31, 2020. The above stay order of the Hon'ble Supreme Court of India was vacated on 23.03.2021. Further, in accordance with the instructions of RBI circular dated 07.04.2021, the Bank has classified these borrower accounts as per extant IRAC norms as on March 31, 2021 and made provision accordingly.

3.34 Corporate Social Responsibility (CSR)

The Bank has in place a local initiative on CSR activity that supported promotion of education to children through voluntary services by each employee. Pursuant to introduction of section 135 of the Companies Act, 2013, the Bank was required to incur CSR expenditure to the extent of Rs. 215.80 lacs. The bank has contributed INR 218.35 lacs towards CSR activities based on guidelines under Companies Act, 2013 during the FY 2020-21. The Bank has CSR Policy duly approved by the Board/CSR committee. The focus of the said policy is on healthcare, education and empowerment of women.

3.35 Contingent Liabilities

Claims against the Bank not acknowledged as debts include disputed dues with tax authorities (Direct and Indirect tax) where based on opinion from consultants, the Bank does not expect the outcome of the proceedings to have a material adverse effect on the Banks financial condition, result of operations or cash flow. It also includes legal proceedings against the Bank where the outcome is not expected to be materially unfavourable to the Bank or where probable liability if any, cannot be ascertained reasonably.

The Bank enters into foreign exchange contracts on its own account as well as for customers. Forward exchange contracts and Interest Rate Swaps are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liability of the contract.

Contingent liabilities in respect of guarantees, acceptances, letter of credit are all entered with banks under approved credit limits and the liability thereon is dependent upon terms of contractual obligations, development and raising of demand by the concerned parties. These amounts are partly collateralized and partly reimbursable by margins/guarantees/secured charges.

Other items for which the bank is contingently liable include capital commitments, amounts transferred to DEAF.

3.36 As per RBI norms the Bank is required to transfer at least 25% of net profits to statutory reserves. However the Bank has transferred the entire profits after transfer to Investment Fluctuation Reserve of the current year to Statutory Reserves to shore up its capital funds for the purpose of meeting the credit exposure norms.

3.37 Under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED), which comes into force from 2 Oct 2006, certain disclosures are required to be made relating to Micro, Small and Medium Enterprises. There have been no reported cases of interest payments due to

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

delays in such payments to Micro, Small and Medium enterprises. Auditors have relied upon the above management assertion. (Previous Year: Nil).

- 3.38** Bank has a Policy for Prevention of Sexual Harassment in line with the 'The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act & Rules, 2013.

Particulars	2020-21
No of complaints pending at the beginning of the year	Nil
No of complaints received during the year	2
No of complaints disposed during the year	2
No of complaints pending at the end of the year	Nil

3.39 Impact of Covid-19 on the performance of the Bank

Since the first quarter of CY2020, the Covid-19 pandemic has impacted most of the countries, including India. This resulted in countries announcing lockdown and quarantine measures that sharply stalled economic activity. The Government of India initiated a nation-wide lockdown from March 25, 2020 for three weeks which was extended to May 31, 2020 in phased manner. Several countries took unprecedented fiscal and monetary actions to help alleviate the impact of the crisis. The Reserve Bank of India (RBI) has announced several measures to ease the financial system stress, including enhancing system liquidity, moratorium of six months on loan repayments for specific borrower segments, asset classification standstill benefit to overdue accounts where a moratorium has been granted and relaxation in liquidity coverage requirement, among others. The Indian economy would be impacted by this pandemic with contraction in industrial and services output across small and large businesses. The second wave of Covid-19 has further added to uncertainties and its impact will depend on various regulatory measures & further measures taken. The bank is regularly keeping a watch on development & taking proactive measures to mitigate the challenges posed by this second wave. The Bank's business is expected to be impacted by lower lending opportunities and revenues in the short to medium term. The impact of the Covid-19 pandemic on Bank's results, including credit quality and provisions, remains uncertain and dependent on the spread of Covid-19, further steps taken by the government and the central bank to mitigate the economic impact, steps taken by the Bank and the time it takes for economic activities to resume at normal levels. The Bank's capital and liquidity position is strong and would continue to be the focus area for the Bank during this period.

- 4.** Previous year figures have been regrouped and rearranged, wherever necessary to confirm to the current year's presentation.

DISCLOSURES UNDER THE NEW CAPITAL ADEQUACY FRAMEWORK (BASEL III GUIDELINES) PILLAR 3 DISCLOSURES

1. Scope of Application

Reserve Bank of India (RBI) issued Basel III guidelines applicable with effect from April 1, 2013. The guidelines provide a transition schedule for Basel III implementation till March 31, 2020. Upon full implementation, Basel III guidelines target minimum capital to risk-weighted assets ratio (CRAR) would be 11.5%, minimum Common Equity Tier-1 (CET1) CRAR ratio would be 5.5% and minimum Tier-1 CRAR ratio would be 7%.

As per the transitional arrangement, at March 31, 2021, Shinhan Bank – India branches (the Bank) is required to maintain minimum capital requirement of 11.50% including capital conservation buffer (CCB).

Qualitative Disclosures:

- (a) The capital Adequacy framework applies to Shinhan Bank – India branches. Shinhan Bank India ("hereinafter referred to as the 'Bank') are the Indian Operations of Shinhan Bank ("hereinafter referred to as 'H.O. '), a South Korean company incorporated in 1897 operating as commercial bank through network of branches in South Korea and various overseas branches including India. The Bank has a network of six branches in India as on 31st March 2021.
- (b) The Bank does not have any subsidiaries.

Quantitative Disclosures:

- (c) The aggregate amount of capital deficiencies in all subsidiaries not included in the consolidation i.e. that are deducted and the name(s) of such subsidiaries : NIL
- (d) The aggregate amounts of the bank's total interests in insurance entities : NIL
- (e) Restrictions or impediments on transfer of funds or regulatory capital within the banking group: NIL

2. Capital Structure:

Qualitative Disclosures:

- (a) Summary information and main features of capital instruments are given below.
 - Tier I capital: - consists of funds from H.O. for the purpose of meeting capital adequacy norms & statutory reserves minus deferred tax asset.
 - Tier II capital comprises of general loan loss provisions.

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

(b) The Composition of capital structure:

(Rs. lacs)

Particulars	March 31, 2021
Funds from H.O.	63,319.08
Statutory Reserve	80,958.14
Deferred Tax Assets	(4,577.78)
Total- Tier I	139,699.44
Provision for Standard Assets	2,660.84
Investment Fluctuation Reserve	791.63
Provision for Country Risk Exposure	114.23
Total – Tier II	3,566.70
Total Eligible Capital	143,266.14

3. Capital Adequacy:

Qualitative disclosures:-

Every year Bank fixes its corporate goals, commensurate with its risk appetite. Capital requirement is assessed taking into account: Business growth plans, Capital funds available with Bank after accounting for redeployment of projected internal accruals, minimum regulatory capital required, buffer above minimum capital required to take care of non-Pillar-I risks. For the purpose, bank has a well defined Internal Capital Adequacy Assessment Policy (ICAAP) to comprehensively evaluate and document all the risks like Interest Rate Risk in Banking Book, Liquidity Risk, Reputation Risk, Compliance Risk, Strategic Risk and Credit Concentration Risk etc. and substantiate appropriate capital allocation so as to evolve a fully integrated risk/capital model for both regulatory and economic capital.

The bank carefully assesses its growth opportunities relative to the capital available to support them, particularly in light of the economic environment and advent of Basel III. The Bank maintains a strong discipline over capital allocation and ensuring that returns on investment cover capital costs. The bank is fully committed in implementing the Basel III norms as adopted by the Reserve Bank of India. The bank has adopted the following approaches for its capital adequacy under BASEL III in line with the guidelines of the Reserve Bank of India.

- Credit Risk - Standardised approach.
- Market Risk - Standardised duration approach.
- Operational Risk - Basic Indicator approach.

Quantitative disclosures:

Under the BASEL III framework on an on-going basis, the bank has to maintain a minimum total capital of 11.50% including Capital Conservation Buffer (CCB) at 2.50% for credit risk, market risk and operation risk. The minimum total capital should include minimum common equity tier 1 (CET1) ratio of 5.50%, minimum tier 1 capital ratio of 7.00%. The minimum total capital requirement includes the Capital Conservation Buffer (CCB) of 2.50% (PY: 2.50%)

The summary of the bank's capital requirement for credit, market, operation risk and CRAR as at March 31, 2021 is presented below:

(Rs in lacs)

PARTICULARS		Amount
A	Capital requirement for credit risk	
	- Portfolios subject to standardised approach	57,843.37
	- Securitisation exposures	
B	Capital requirement for market risk	
	Standardised duration approach	
	-Interest rate risk	754.77
	-Foreign exchange risk	1,293.75
	-Equity risk	-
C	Capital requirement for operational risk	
	-Basic indicator approach	5,512.82
D	Capital Adequacy ratio of the Bank (%)	25.19%
E	Tier I CRAR (%)	24.56%

General Disclosures:

Risk Exposure and Assessment

Shinhan Bank's Risk Management policies and procedures are subject to a high degree of oversight and guidance to ensure that all types of risks is systematically identified, measured analysed and actively managed. Specific details relating to all major business functions are elaborated in the respective policies and manuals of the bank, which may be guided by for specific business activities.

Risk Management is the responsibility of every member of the management as well as part of the job of each staff members of the bank. Individual risk management efforts are coordinated and supervised by the CEO. The H.O. has the responsibility for coordination of overall risk management with respect to the business of the India branches of the bank.

Risk Management

The bank has a Risk Management Department in place which oversees all types of risks in an integrated fashion. Shinhan bank has established a series of risk management system to prepare for the full- scale implementation of the revised Capital Accord. The H.O. assumes overall supervision

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

of the global operations of the Bank. The Board of Directors assumes the ultimate responsibility of supervision, and exercises its supervisory authority through the President and CEO.

Risk Management Framework

The Risk Management Framework aims to integrate the sound principles of Risk Management system and practices into the overall functioning and set up of the Bank. Shinhan Bank has created in its organizational structure a Risk Management Committee to oversee and discharge efficiently the risk management functions. The Management Committee defines risk strategies and policies of the bank. The bank's risk profile is regularly examined by the Risk Management Committee. The Risk Management Committee is headed by the CEO and is represented by members from Credit, Risk, Treasury, Compliance and Finance departments.

4. Credit Risk:

General Disclosure

Credit risk covers the inability of a borrower/customer or counter-party to honour commitments under an agreement/contract and any such failure has an adverse impact on the financial performance of the Bank. The Bank is exposed to credit risk through lending, certain off balance-sheet items and some holdings in debt securities. Various credit exposure limits are fixed and approved by the appropriate authority. These limits are being monitored on a regular basis.

Strategy and Processes

The Bank's credit risk management process integrates risk management into the business management processes, while preserving the independence and integrity of risk assessment. The Bank's, H.O. formulates risk management policies for the Bank worldwide. The Bank in India has formulated local credit guidelines consistent with the HO policy. The goal of credit risk management during the year has been to maintain a healthy credit portfolio by managing risk at the portfolio level. The Bank's risk management policies and procedures establish the parameters for risk appetite, which is defined quantitatively and qualitatively in accordance with the laid-down strategic business plan. The process is established through a combination of governance structures and control processes.

The other guiding principles and processes behind Credit Risk Management Framework are:

- The acceptability of credit exposure is primarily based on the sustainability and adequacy of borrower's normal business operations and not based solely on the availability of security.
- Sound credit approval process with well laid credit-granting criteria.
- Portfolio level risk analytics and reporting to ensure optimal spread of risk across various rating classes, prevent undue risk concentration across any particular industry segments and monitor credit risk quality migration.
- 'Know your Customer' is a leading principle for all activities.
- Appropriate covenants are stipulated for risk containment and monitoring.
- Industry-wise exposure ceilings are based on the industry performance, prospects and the competitiveness of the sector.
- Separate risk limits are set up for credit portfolios like advances to NBFC and unsecured loans that require special monitoring

Structure and Organization

The Bank has committee approach in place for credit sanction and review. Credit approval authorities are delegated from the H.O. to the Chief Executive Officer, India. The Head of Risk Management in India maintains a functional reporting to the Global Business Division at the HO through the CEO of India Operations.

Scope and nature of risk reporting and measurement

Credit Rating System

Credit rating tools are an integral part of risk-assessment of the corporate borrowers and the Bank has developed rating model that has distinct risk characteristics. The Bank periodically carries out a comprehensive portfolio level analysis of its asset portfolio with a risk-return perspective. The credit rating tool uses a combination of quantitative inputs and qualitative inputs to arrive at a 'point-in-time' view of the rating of counterparty. Each internal rating grade corresponds to a distinct probability of default. The output of the rating model is primarily to assess the chances of delinquency over a one year time horizon.

Review and Monitoring

- The Bank has developed monitoring tool that helps in objectively assessing the credit quality of the borrower taking into cognizance the actual behavior post-disbursement.
- All credit exposures, once approved, are monitored and reviewed periodically against the approved limits.
- Borrowers with lower credit rating are subject to more frequent reviews.
- Credit audit involves independent review of credit risk assessment, compliance with internal policies of the Bank and with the regulatory framework, compliance of sanction terms and conditions and effectiveness of loan administration.

Concentration Risk

Concentration Risk in the context of banking operations generally denotes the risk arising from an uneven distribution of counter- parties in credit or any other business relationship or from a concentration in business sectors or geographical regions which may generate losses large enough to jeopardize the Bank's position. The Bank controls and limits concentration risk by means of appropriate structural limits and borrower limits based on creditworthiness.

Industry Concentration Risk

Industry analysis plays an important part in assessing the industry concentration risk within the loan portfolio. Particular attention is given to industry sectors where the Bank believes there is a high degree of risk or potential for volatility in the future. The Bank has fixed internal limits for aggregate commitments to different sectors so that the exposures are evenly spread over various sectors.

Reporting

Regular internal reporting and oversight of assets and guidance to ensure that all types of risk are systematically dealt with is principally differentiated by the credit ratings applied which includes information on large credit exposures, credit concentration, industry exposures, levels of impairment ,

Shinhan Bank India

Incorporated in Korea with Limited Liability

INDIAN OPERATIONS

provisioning and country exposures are being reported to the Credit Committee on a monthly basis.

Non performing advances

Advances are classified into performing and non-performing advances (NPAs) as per Reserve Bank of India (RBI) guidelines. NPAs are further classified into sub-standard, doubtful and loss assets based on the criteria stipulated by RBI. An asset, including a leased asset, becomes non-performing when it ceases to generate income for the Bank and an NPA is a loan or an advance where Interest and/or instalment of principal remains overdue for a period of more than 90 days in respect of term loan, the account remains "out-of-order" in respect of an Overdraft or Cash Credit (OD/CC), the bill remains overdue for a period of more than 90 days in case of bills purchased and discounted and the regular/ad hoc credit limits have not been reviewed /renewed within 180 days from the due date/ date of ad hoc sanction.

Following is table of non-performing assets and provision as on 31st March 2021

(Rs. in lacs)

Sr. No.	Particulars	2020-21	2019-20
(i)	Net NPAs to Net Advances (%)	0.40%	0.00%
(ii)	Movement of NPAs (Gross)		
	(a) Opening Balance	10,003.77	10,000.00
	(b) Additions during the year.	2,905.47	3.77
	(c) Reductions during the year - Recovery - Write off	84.73	Nil
	(d) Closing balance	12,824.51	10,003.77
(iii)	Movement of Net NPAs		
	(a) Opening balance	2.83	8,500.00
	(b) Additions during the year.	2,477.46	2.83
	(c) Reductions during the year	84.73	8,500.00
	(d) Closing balance	2,395.56	2.83
(iv)	Movement of provisions for NPAs (excluding provision on standard assets)		
	(a) Opening balance	10,000.94	1,500.00
	(b) Provisions made during the year.	428.01	8,500.94
	(c) Write-off/write-back of excess provisions	Nil	Nil
	(d) Closing balance	10,428.95	10,000.94

Credit quality/ Impairment of Loans:

All loans and advances of the Bank are classified according to asset quality, nature and passage of time and at each balance sheet date, the Bank ascertains if there is any impairment in its assets. If such an indication is detected, the Bank estimates the recoverable amount of the assets from the date of identification of credit weaknesses in accordance with RBI guidelines. The irrecoverable amount is treated as an impairment loss and is recognized in the profit and loss account. Standard accounts include all facilities which demonstrate good financial condition, minimum risk factors and capacity to repay in line with the original terms of sanction.

Credit Risk Management

The Bank has standards, policies and procedures dedicated to the monitoring and management of credit risk, which include the following:

- The Credit policy delineates the bank's maximum exposures to individual customers, customer groups and other risk concentrations. Ensure compliance with lending guidelines to specified market sectors and industries in compliance with RBI guidelines and HO policies.
- Control cross-border exposures to manage country and cross-border risk through the imposition of country limits with sub-limits by maturity and type of business.
- Undertake independent review and objective assessment of credit risk. All commercial credit facilities are subject to review prior to the facilities being committed to customers.
- Maintain and develop the bank's risk rating framework and systems, in order to classify exposures meaningfully and facilitate focused management of the risks involved. Rating methodologies are based upon a wide range of financial analytics together with market database tools, which are core inputs to the assessment of customer risk. Risk grades are reviewed frequently and amendments, where necessary, are implemented promptly.

INDIAN OPERATIONS

5. Disclosures of portfolios under the Standardised Approach:

Qualitative Disclosures:

As per the RBI guidelines on the Basel II to calculate capital adequacy under the standardised approach for credit risk, require banks to use rating assigned by specific External Credit Assessment Agencies (ECAAs) namely CRISIL, ICRA, Fitch(India) & CARE for domestic counterparties and Standard & Poor's, Moody's and Fitch for foreign counterparties.

The Bank is using issuer ratings, short-term and long-term instrument/bank facilities ratings which are assigned by the accredited rating agencies (as specified by RBI) and published in the public domain to assign risk-weights in terms of RBI guidelines for its customers. In respect of claims on non-resident corporate and foreign banks ratings assigned by international rating agencies (as specified by RBI) is used. For exposures with contractual maturity of less than one year, a short-term rating is used. For cash credit facilities and exposures with contractual maturity of more than one year, long-term rating is used.

The process used by the Bank to transfer public issue ratings onto comparable assets in the banking book is in line with the provisions advised in Reserve Bank of India's Master circular on New Capital Adequacy Framework.

For non funded advances secured by SBLC, the bank is using the rating assigned by S & P/ Fitch / Moody's.

Quantitative Disclosures:

The amount under each credit risk category is as follows:

(Rs. in lacs)

Risk Bucket	March 31, 2021	March 31, 2020
Below 100% Risk Weight	163,291.70	207,636.32
100% risk weight	217,078.54	250,398.13
More than 100% risk weight	122,615.56	85,556.87
Risk Weighted Assets	502,985.80	543,591.32

Note: The Unhedged foreign currency exposures and QCCP are incorporated in above figure according to risk bucket and additional risk weight on Unhedged FCE, CVA & QCCP considered under below 100% risk weight.

6. Credit Risk Mitigation:

Credit Risk Mitigants (CRM) like financial collateral, non-financial collateral and guarantees are used to mitigate credit risk exposure. Availability of CRM either reduces effective exposure on the borrower (in case of collaterals) or transfers the risk to the more creditworthy party (in case of guarantees). A major part of the eligible financial collaterals is in the form of cash, the most liquid of assets and thus free from any market and liquidity risks

The bank has arrived at credit exposure for the credit risk capital before Credit Risk Mitigation.

7. Securitisation:

Qualitative and Quantitative disclosures:

Securitisation is mainly done in order to diversify the bank's source of funding. The bank has neither securitized any assets nor have any investments in securities issued by any Special Purpose Vehicle (SPV).

8. Market Risks in the trading book/Banking book

Market risk is the risk that movements in foreign exchange rates, interest rates, or equity prices will result in profits or losses to the Bank. The Bank assumes market risk in its lending and deposit taking businesses and in its investment activities, including position taking and trading. The objective of market risk management is to control market risk exposures to achieve an optimal return while maintaining risk at acceptable levels.

The bank monitors the net open position for foreign exchange and undertakes VaR technique as per FEDAI model on FX risk position to estimate the potential loss as a result of movements in market rates. Stress testing on foreign exchange position is carried out to quantify the impact on capital of defined market movements.

9. Operational Risk:

Operational risk is the risk of loss arising from fraud, unauthorized activities, error, omission, inefficiency, systems failure or external events. It is inherent in every business organization and covers a wide spectrum of issues. The Bank has put in place a management approved Operational Risk Management Policy which outlines overall framework for management of Operational Risk.

Strategy and Process

The Bank manages this risk within a control based environment in which processes are laid down and documented and transactions are reconciled and monitored. This is supported by an independent program of periodic reviews undertaken by internal audit, and by monitoring external operational risk events, which ensure that the Bank stays in line with industry best practice and takes account of learning from publicized operational failures within the financial services industry.

Structure and Organization

The operational risk management responsibility is assigned to senior officials within each business operation. The operational risk loss data is collected and reported to the senior management and to the Bank's Risk Management Committee.

Scope/Nature of Risk reporting/measurement

The Bank has documented its operational risk management policy. One of the major tools for managing operational risk is the well-established internal control system, which includes segregation of duties, clear management reporting lines and adequate operating procedures.

The following measures, which have laid down clear relevant systems, procedures, policies, monitoring and control, are in place to control the operational risk:

- Manuals /Job Cards/Circular /Instructions to ensure adherence to proper systems and procedures
- Risk Based Internal Audit System
- Well laid down policy guidelines covering various activities
- System of monitoring operations and performance

Shinhan Bank India

Incorporated in Korea with Limited Liability
INDIAN OPERATIONS

- Delegation of financial powers at appropriate levels
- Appropriate reporting and review system
- System (IT) monitoring with Disaster Recovery System and Business Continuity Plans
- Legal Compliance certificate

For addressing risk of system failure, a Disaster Recovery System is in place. For mitigating risk due to disruption of business, a Business Continuity Plan has been put in place.

10. Interest Rate Risk in the Banking Books (IRRBB)

Interest rate risk is the potential change in Net Interest Income or Economic Value of Equity caused by unexpected changes in market interest rates.

Qualitative Disclosures

Interest Rate Risk:

The banking book is defined as:

- Investments held in the Available for Sale (AFS) portfolio.
- Funding transactions to manage the liquidity of the bank.

Market risk in non trading portfolio (banking book) arises principally from mismatches between the future yield on assets and their funding cost, as a result of interest rate changes.

Analysis of this risk incorporates behavioural assumptions regarding the economic duration of liabilities which are contractually repayable on demand, for example, current accounts.

Strategy and Process

When the behavioural characteristics of a product differ from its contractual characteristics, the behavioural characteristics are assessed to determine the true underlying interest rate risk. Asset and Liability Committee (ALCO) regularly monitor all such behavioural assumptions and interest rate risk positions, to ensure that they comply with interest rate risk limits.

Structure and Organization

ALCO is responsible for measuring interest rate risk exposures in accordance with prescribed policies, monitoring and reporting these exposures against the approved limits on a daily basis.

Scope/Nature of Risk reporting/measurement system and mitigation techniques

The Bank monitors the sensitivity of projected net interest income under varying interest rate scenarios. The Bank manages the market risk in banking book, to mitigate the impact of prospective interest rate movements which could reduce future net interest income, whilst balancing the cost of such hedging activities on the current net revenue stream.

Duration Gap Analysis

Bank carries out Duration Gap Analysis (on monthly basis) to estimate the impact of change in Interest Rates on Market Value of Equity (MVE), as per the RBI Guidelines.

Disclosures on Remuneration

The bank's compensation policies including that of CEO's, is in conformity with the FSB principles and standards. In accordance with the requirements of the RBI Circular No DBR.NO.BC.72/29.67.001/2011-12 dated 13 January 2012, the Head Office of the bank has submitted a declaration to the RBI confirming the above mentioned aspect.

Leverage ratio disclosure

As on March 31, 2021 the Leverage ratio is 10.83%. The summary comparison of accounting assets vs leverage ratio exposure measure as per table DF-17 and leverage ratio common disclosure as per table DF-18 are provided as separate annexure to this disclosure.

Quantitative Disclosures:

Earning at Risk (EaR) (For time bucket up to one year)

(Rs. in lacs)

Assets	Liabilities	Impact on NII
Risk Sensitive Assets Increase by 200 bps	Risk Sensitive Liabilities Increase by 200 bps	2,083.73

Table DF 17 – Summary comparison of accounting assets vs. leverage ratio exposure measure as of March 31, 2021

(Rs. in lacs)

Sl. No	Particulars	
1	Total consolidated assets as per published financial statements	1,165,055.28
2	Adjustment for investments in banking, financial, insurance or commercial entities that are consolidated for accounting purposes but outside the scope of regulatory consolidation	-
3	Adjustment for fiduciary assets recognised on the balance sheet pursuant to the operative accounting framework but excluded from the leverage ratio exposure measure	(4,577.78)
4	Adjustments for derivative financial instruments	10,560.51
5	Adjustment for securities financing transactions (i.e. repos and similar secured lending)	2,909.74
6	Adjustment for off-balance sheet items (i.e. conversion to credit equivalent amounts of off- balance sheet exposures)	116,419.48
7	Other adjustments	-
8	Leverage ratio exposure	1,290,367.23

Table DF 18: Leverage ratio common disclosure template as of March 31, 2021

(Rs. in lacs)

Sl. No	Particulars	
On-balance sheet exposures		
1	On-balance sheet items (excluding derivatives and SFTs, but including collateral)	1,165,055.29
2	(Asset amounts deducted in determining Basel III Tier 1 capital)	(4,577.78)
3	Total on-balance sheet exposures (excluding derivatives and SFTs) (sum of lines 1 and 2)	1,160,477.51
Derivative exposures		
4	Replacement cost associated with all derivatives transactions (i.e. net of eligible cash variation margin)	1,653.04
5	Add-on amounts for PFE associated with all derivatives transactions	8,907.47
6	Gross-up for derivatives collateral provided where deducted from the balance sheet assets pursuant to the operative accounting framework	-
7	(Deductions of receivables assets for cash variation margin provided in derivatives transactions)	-
8	(Exempted CCP leg of client-cleared trade exposures)	-
9	Adjusted effective notional amount of written credit derivatives	-
10	(Adjusted effective notional offsets and add-on deductions for written credit derivatives)	-
11	Total derivative exposures (sum of lines 4 to 10)	10,560.51
Securities financing transaction exposures		
12	Gross SFT assets (with no recognition of netting), after adjusting for sale accounting transactions	2,909.74
13	(Netted amounts of cash payables and cash receivables of gross SFT assets)	-
14	CCR exposure for SFT assets	-
15	Agent transaction exposures	-
16	Total securities financing transaction exposures (sum of lines 12 to 15)	2,909.74
Other off-balance sheet exposures		
17	Off-balance sheet exposure at gross notional amount	261,077.94
18	(Adjustments for conversion to credit equivalent amounts)	(144,658.46)
19	Off-balance sheet items (sum of lines 17 and 18)	116,419.48
Capital and total exposures		
20	Tier 1 capital	139,699.44
21	Total exposures (sum of lines 3, 11, 16 and 19)	1,290,367.23
Leverage ratio		
22	Basel III leverage ratio	10.83%
